

TrakaMEC Upgrade

Mechanical to Electronic key management

traka
ASSA ABLOY

Experience a safer and more open world

Did you know you can upgrade your TrakaMEC to a brand new Traka Automotive Electronic Key Management Solution?

Designed for Automotive Dealerships

- Hardware and Software platform tailored to automotive industry
- Seamlessly integrates with your existing systems

Increase profits

- Sell more cars
- Improve Customer Satisfaction
- Improve Staff Satisfaction

Full Security and Audit Trails

- Know exactly who has which Keys
- When they have been removed
- When they have been returned
- Full Audit trail recorded for all key movements

Improves Workshop Efficiency

- 15 Technicians x 10 minutes loss per day, looking for keys = 2.5 Hours
- 2.5 Hours x £70 (avg. labour rate) = £175 loss per day
- £175 x 5 days x 4 weeks = £3500 loss per month

We will offset your investment in TrakaMEC as a discount against your new Traka Automotive Electronic System.

A complete range of cabinet sizes and configurations enables us to provide a solution tailored exactly to your site requirements.

Not a TrakaMEC customer? Don't worry. You might still be eligible subject to T&C's.

A complete range of cabinet sizes and configurations enable us to provide a solution tailored exactly to your site requirements.
